BABY

(c. Anderson, Chytil, DeSena, Saric 2006)

**There's a time in a couple's life
When it's more like husband and wife
There's a lot more giving up then tries
And lots of wandering eyes**

**Used to be it was you & me
On every surface of the house**

**Baby baby, since I had your baby
I'm not your baby anymore
Baby Baby, maybe maybe
You're not my baby like before**

**Honey could you take out the trash
Remember when we used to have a stash
Honey could you mow the grass
Remember when you'd kiss my ass**

**That's all gone and I wanna run away
And I'm wishin' that you wanted to come**

**There comes a time in a couples life
When lust is the same as a lie
Boredom becomes your closest friend
Sex has left the room again**

**Remember when it was you & me
Living for that next big rush**

**Baby baby, since I had your baby
I'm not your baby anymore
Baby Baby, maybe maybe
You're not my baby like before**

**Baby baby once I had your baby
I think we may've closed another door
Baby baby I'm a love you maybe
But baby not the same no more**
