BUT I LOVE HIM

(c. Anderson, Chytil, DeSena, Saric 2006)

**He'll put an end to your friends
 Needs to keep you all to himself
 You'll be neglected not respected
 That's how he keeps you on a shelf
 He'll be sad then suddenly mad
 His moodiness makes you tip-toe**

**Those bad boys should just be toys
 Not someone you really give your heart to
 It's fine to play for a just one day
 Keep in mind what you stand to lose**

**But I love him means you shouldn't
 But I need him means you couldn't
 But I trust him means you wouldn't
 Ladies are you saying not me, no, no, not me, not me**

**Words that spell it's move on time
 Jail, bail, probation, no occupation
 Obscene, mean apprehension
 Always needing your attention
 Your cash will fill his personal stash
 Like he's doing you a favor**

**Those bad boys use all their ploys
To get you exactly where they want you
He'll use your need for his own greed
Avoid more trouble, blow up his bubble**

**But I love him means you shouldn't
But I need him means you couldn't
But I trust him means you wouldn't
You should be his partner not savior, say no, no not me**

**But I love him means he's bad news
Come on girl you know you're being used
Does he treat you or defeat you
Give you a hand or just demand say no, no not me**

**But I love him means you shouldn't
But I need him means you couldn't
But I trust him means you wouldn't
Ladies are you saying not me, no, no, not me, not me**
