Love Love – Hate Hate

(Martin Chytil)

**Children are born with love in their eyes
Only you can teach them wrong
Children grow up with their eyes to the sky
Only you can keep them down**

**Mister aggravation
What's the politics you make
People all around me
Spread the word
Love Love – Hate Hate**

**Children they learn by what they see
Their eyes are clear and strong
Children believe what you want them to see
A vision right or wrong**

**Mister aggravation
What's the politics you make
People all around me
Take a vow
Love Love – Hate Hate**

**And when they tell you
You're not thinking – What you should be thinking**

Tell them that's my brother over there

And when they tell you

That you're thinking - What you shouldn't be thinking

Tell them that my brother should not be scared – of me

Children are born – Love Love – Hate Hate

Children grow up – Love Love – Hate Hate

Children they learn – Love Love – Hate Hate

Children believe – Love Love – Hate Hate

Children are born – With love in their eyes

Children grow up – With love in their eyes

Children they learn – From you and me

Children believe – In you and me
